

GENERAL ORDER

Department of Fire and EMS

G.O. 8-5-24

Subject: Source Material- Lieutenant's Examination Process

Date: August 20, 2024

Authority: Chief Michael W. Robinson, Director/*MWR*

The department is currently preparing to fill a single vacancy for a station lieutenant. An application period will be announced in the near future. The testing process will consist of a written examination and those who successfully complete that phase will then proceed to a further assessment process. To allow for adequate test preparation, the following source information is provided for information purposes. Applicants for the position will need to access these sources on their own. Station printers shall not be used to make copies of applicable documents. The IFSTA text is available via multiple online sources that sell textbooks as well as the IFSTA site. Please contact the office of the Chief with any questions.

2024 Lieutenants Examination Process: Source Material

1. Fire and Emergency Services Company Officer-IFSTA, 6th edition.
2. MD Medical Protocols for EMS, July 1, 2024, edition (General and BLS Section)
