

Central Maryland

Location

The Central Maryland Service and Distribution facility is located off of Klees Mill Road in Sykesville, MD.

Description

The project will provide stormwater management to a 93 acre drainage area, 40 acres of which are impervious. The goal is to provide up to 2.5 inches of water quality over the impervious area through the construction of a retention pond.

Project Engineer

Carroll Land Service, Inc. (CLSI)

Contractor

White Pine

Project Budget

Engineering—\$65,005
Construction—\$551,637

Project Timeline

The County anticipates construction to begin Fall 2018.
