

East/West Pond

Location

East/West Pond is located on the Frederick County side of Mount Airy, north of Prospect Road and Rising Ridge Road, adjacent to the American Legion, immediately north of the baseball field.

Description

This project was selected based on the findings of the Woodville Watershed Study. Construction of a wet pond for this project will address approximately 60 acres of untreated impervious area on the Frederick County side of Mount Airy.

Project Engineer

Century Engineering, Inc.

Contractor

TBD

Project Budget

Engineering—\$97,000.00

Project Timeline

Environmental design plans are anticipated to be completed by July of 2020.
