Chair, Don Rowe, opened the meeting by welcoming the Carroll County Complete Count Committee members. A meeting sign-in page was passed.

Chair Rowe asked everyone to introduce themselves, indicating their organization and the constituents the organization serves.

The update from MACO was moved to the bottom of the agenda.

Workgroups gave updates.

The Media Workgroup reported about the videos in the process of being made. Carroll County has joined with the Baltimore Region on a media collaboration.

Tammy Black, Executive Director of Access Carroll, reported for the Non-Profit Group. She reported that the Non-Profit workgroup had met. The membership is predominately social services agencies.

Gina Valentine, Manager of the Westminster Senior Center, reported for both the Veterans and Aging and Disabilities Workgroups. The Maryland Department of Veteran Affairs will be holding an outreach event in Carroll County in March.

Mr. Rowe reported for the Group Quarters Workgroup. Enumerators will be coming out to help with the homeless population.

Denise Beaver, Deputy Director of Economic Development, reported for the Business Workgroup. She reported that she had reached out to the Carroll Hospital Center who agreed to add census information to new baby bags.

The Municipalities Workgroup reported about the Simple Easy Safe flier they have been distributing. It was agreed that the county could have these printed.

The Education, Youth and Libraries Workgroup reported that they have been holding recruitment events for US Census takers. Sara Arnold, Library Associate II, will be holding a training.

Chris Winebrenner, Carroll County Communications Manager, reported for the Media Workgroup. She updated the Committee on the census materials being ordered. She also reported on the radio and print advertisement that was being planned.

Ms. Winebrenner also reported on information from MACO. She reported on a discussion about how to reach people who receive their mail through a US Post Office. These people will not receive US Census information in the mail. Ed Singer, Health Officer, said he would follow up about a mailing to PO Boxes.

The meeting was adjourned.
