4. Consistency with Master and Functional Plans:

A. Applicable Master Plan Land Use (Such as MGA, Rural Village Designation Etc.)

This property is in 2019 Amendment to the 2014 Carroll County Master Plan. It has a Future Land Use designation of Agricultural. This request is not consistent with the Future Land Use Designation.

B. Applicable Master Plan Goals and Objectives

This property is not consistent with the to the 2014 Carroll County Master Plan as amended 2019.

This request is contrary to goals 13, 14 and 15 in the Carroll County Master Plan.

Goal 13 Promote a healthy economy and additional employment opportunities by… providing land appropriately located and zoned for a variety of types and intensities of new economic development activities; and (d) maintaining a desirable balance between economic development and residential development.

Goal 14 Facilitate a development pattern that remains consistent with the fabric of our communities, is in harmony with the surrounding built and natural environments, encourages community interaction and, in rural areas, preserves the County’s rural character.

Goal 15 Pursue policies that facilitate development in appropriate areas, including the Designated Growth Areas, thereby protecting and conserving agricultural and environmental resources, preserving open space, and providing public facilities and services efficiently and cost-effectively.
C. Water Service Area and Service

D. Sewer Service Area Service

9. Assessment Summary

This request is not consistent with the 2014 Carroll County Master Plan as amended 2019 or other applicable plans. Inconsistency with the master plan and the presumption of correctness of the master plan are the two main reasons for this unfavorable recommendation.

Although the property is not currently in an Ag use, it is a legally operating nonconforming commercial use, and may continue as such indefinitely. Changing this property from Ag zoning to the C-2 zoning category would allow all the more intense commercial uses in Section 158.082 of the County Code on this property, which is surrounded by Ag-zoned land. This was not envisioned by the 2014 Plan or the 2019 Amendment.
