

Carroll County's State Health Insurance Assistance Program (SHIP) provides free local help to individuals with Medicare. If you are turning 65 this year, then you are eligible for Medicare. If you are still working or are not receiving a Social Security check, then it is up to you to proactively enroll in Medicare.

We invite you to attend our free virtual informational workshops for individuals who wish to learn more about Medicare. We are offering virtual Transitioning to Medicare – Parts 1 and 2 monthly.
