Carroll County, MD

ANNUAL REPORT
2020 FISCAL YEAR

July 2019 - June 2020

MISSION STATEMENT

Connecting people, parks and programs in support of a strong, healthy community and natural environment.

VISION

We are committed to enhancing the quality of life, promoting a sense of community, facilitating lifelong learning for all ages and abilities and encouraging an appreciation of the natural environment and local history.

GOALS & OBJECTIVES

Department goals are general statements of initiatives for achieving desired outcomes.

Department objectives are measurable and attainable milestones to be achieved in accomplishing the goal.

CORE VALUES

Excellence

We are responsive to our community's needs and expectations and continually strive to exceed them.

Creativity

We develop innovative, dynamic solutions, programs and projects.

Equity

We design policies and provide services in locations and through methods to be fair and accessible to all.

Integrity

We earn the community's trust through uncompromising ethics and honest communication.

Stewardship

We serve as responsible stewards of the community's resources, creating a legacy for this and future generations.

Innovation

We promote a culture that fosters creative thinking and strives for continuous improvement.

Community Involvement

We promote, develop and support volunteer participation.

DIRECTOR'S REPORT

Fiscal year 2020 proved to be a uniquely productive and challenging year. In July, the Department celebrated Recreation and Parks month with 5 Walk With Your County Commissioner events with each Commissioner participating in their district. The ten-year anniversary of the South Carroll Senior & Community Center was celebrated and the county's second dog park was opened at that location the following Spring.

Partnerships remain important to the department and a new initiative involving the Friends of Liberty Reservoir and Baltimore City resulted in facilitating volunteer maintenance of trails used by residents. Wantz Distributors provided 80 volunteers and \$4,500, working side by side with staff to support trail improvements and planting of nearly 50 trees and shrubs in a corporate work day at Piney Run Park.

The past year was an especially busy one for park improvements. Completed projects included a new roof for Bear Branch Nature Center and the new South Carroll Dog Park. A significant acquisition of 145 acres north of Taneytown was completed and will serve as a future recreational facility in an area that previously had no county parks. Many new development projects were initiated including an expansion of Deer Park, Westminster Veterans Memorial Park and the Double Pipe Creek kayak launch. Planned improvements for the Pipe Creek water trail with new launch sites continued to move forward. Design efforts were initiated for the Gillis Falls trail and a new Charles Carroll Community Center that will provide new recreational opportunities for residents.

The department and its Advisory Board continued their forward-looking philosophy by updating the department's strategic plan. Staff vacancies were filled by welcoming Administrative Assistant Laura Tawes, Chief Range Officer Chuck Hamlet, Office Associate Callie Williams, Piney Run Park Technician Emily White, and Park Development Manager William Brozy. In addition, an increased emphasis was placed on promotion and outreach with a new Marketing Specialist position filled by Trish Cross. Along with these staff came new ideas and initiatives.

The Spring brought never-before seen challenges associated with the COVID-19 pandemic. Carroll County experienced its first spring without youth sports and usage restrictions were placed on playgrounds, boating and pavilions to comply with State orders designed to mitigate the impact of the pandemic. Virtual meetings became a way of life and record numbers of people visited parks and trails to get exercise and fresh air. Piney Run Park alone saw roughly a 30% increase in attendance over the 2019 season and regularly sold out of rental boats in 2020. New programs such as drive through zoos and "camp in a bag" replaced traditional offerings. Throughout it all, dedicated staff and volunteers faced new challenges daily and responded with creativity and commitment – all to serve and connect with their community.

We remain committed to offering quality recreation and park opportunities for people of all ages and abilities in a fiscally responsible manner. For more information, please visit ccrecpark.org and follow us on Facebook and Twitter to keep up with new activities.

RESPONSE TO COVID-19

MARCH 15

South Carroll Dog Park will be open to members beginning tomorrow, March 16, 2020 from sunrise to sunset. County parks remain open (including dog parks) but **all organized programs and activities have been cancelled.**

MARCH 24

To help keep your creativity flowing during this time of social distancing, we are going to be posting some coloring pages and we challenge you to show us your best work!

MARCH 17

1. Piney Run Park will be open from 7am to sunset Monday-Friday only. The gate house and boat house will be closed and no boating will be allowed on the lake.
2. Piney Run and Bear Branch Nature Centers are closed until further notice.
3. Hap Baker Firearms Facility is closed until further notice.

MARCH 25

The COVID-19 state of emergency in Maryland has resulted in all **Carroll County Recreation & Parks sponsored programs and events including all recreation council activities being cancelled through at least April 26, 2020** regardless of their location.

Additional Recreation & Parks closures and cancellations include:

- Bear Branch Nature Center, Piney Run Nature Center, Piney Run Gate House, Piney Run Boat House, boating at Piney Run Park, and Hap Baker Firearms Facility.
- All pavilion and other group reservations at Carroll County parks are cancelled through April 26, 2020. Recreation & Parks will provide full refunds or reschedule previously reserved dates.
- All county parks will remain open during regular hours, sunrise to sunset except for Piney Run Park which will be open from 7am to sunset, Monday through Friday only.
- Because there is no way that we can guarantee a germ-free playground, we strongly recommend not using park playground equipment.
- Carroll County Recreation & Parks' Administrative Office in the Robert Moton Center is closed to the public effective at 5pm on March 25, 2020.

MARCH 30

Consistent with direction from both state and federal governments, please maintain effective **social distancing of at least 6 feet (6') or more at all times and no groups of more than 10.**

While we have advised against the use of playgrounds and at this time, we are now also marking them as "closed". The parks can be a great place for people to get fresh air and exercise. However, if these simple rules are not followed, these positive experiences can turn negative quickly.

Please help your neighbors, your family and yourself by keeping your distance. We are all in this together and we will get through this together.

MARCH 31

Carroll County Dog Parks Closed Until Further Notice.

In-person socialization is the very thing we are trying to limit now due to the current state of emergency regarding COVID-19. As a result of this crisis and our increasing efforts to promote social distancing for the wellbeing of our community, we have made the decision to close both the Bennett Cerf Dog Park and South Carroll Dog Parks effective immediately until further notice.

APRIL 7

To help continue our efforts of social distancing and to avoid face-to-face interactions, we are requesting all guests of our parks to **walk on our loop trails in a clockwise direction.**

APRIL 9

Recreational fishing within our parks, including from the shoreline, is a prohibited activity under the stay-at-home order. **Catch-and-release fishing is strictly prohibited anywhere in Maryland.**

MAY 6

All regular, in-person programs and events including recreation council activities are cancelled through June 30, 2020. In addition, pavilion reservations at all county parks, and cabin rentals at Hashawha are also cancelled through June 30, 2020. **As Summer approaches, we are sad to announce that the 2020 Piney Run Summer Nature Camp, the 2020 Bear Branch Summer Nature Camp, and 2020 Teens on the Go are also cancelled.** Full refunds will be processed for all programs and reservations cancelled due to COVID-19.

MAY 8

We are excited to announce **our first virtual event, 2020 Run for the Roll Marathon!** This is a FREE virtual event for all ages, set your own pace, choose your goal of either a 5K, 10K, half, or full marathon; download your Marathon Log and record your progress between May 20 and June 20, 2020.

APRIL 21

Help to prevent the spread of COVID-19 with these tips:

- Practice good social distancing of at least 6 feet.
- No group gatherings larger than 10 people.
- Walk clockwise on the paved looped trails.
- Regularly wash your hands for at least 20 seconds
- Wear a mask or bandana/scarf to cover your nose and mouth when out in public.

MAY 6

We are excited to announce that effective at 7am on May 7, 2020, we are **welcoming back recreational fishing and boating** at Piney Run Park!

MAY 11

We can hear the swosh of tails wagging now! We are happy to announce the **reopening of Bennett Cerf and South Carroll Dog Parks** on Monday, May 11, 2020.

Usage will be modified to require less than 10 members at all times in the dog park, consistent with Governor Hogan's direction.

- All members inside the dog park should practice social distancing, staying at least 6' away from other users.

MAY 13

Hap Baker Firearms Facility will reopen to the public on Wednesday, May 13 at 10am with regular hours. All users will be required to bring and wear masks in addition to the normal ear and eye protection and must practice social distancing during their usage.

MAY 14

Caution tape has been removed, closed signs are being replaced with new signage, and playgrounds in Carroll County parks are now open!

JUNE 13

Inside our 2020 Summer Programs & Activities guide, find the 93 Days of Summer, complete the 93 activities on your own schedule through the summer and turn in your completed list for a chance to win some great prizes like Recreation & Parks gift certificates, gift cards, and more!

Offering programs safely vs the desire the get out and play.

Should players wear masks?

COMMUNITY RECREATION PROGRAMS

As a means to fulfill our vision of promoting life long learning opportunities, Carroll County Department of Recreation & Parks offers a wide variety of activities through its Community Recreation Programs. These activities are designed to supplement the many programs that are available through the recreation councils and include a wide variety of activities designed to stimulate both the mind and body. Program guides are published four times per year with activities available for adults, youth, families and therapeutic recreation at sites throughout the County.

RECREATION COUNCILS

Carroll County Department of Recreation & Parks supports the operation of ten (10) volunteer recreation councils throughout the county that provide services to their respective geographic community or county-wide interest groups. The Department provides staff support, administers facility usage, and assists with program publicity and liability insurance issues. Councils hold regular meetings that are open to the public and have executive boards that are elected by the community.
