

# MEMORANDUM

## Department Planning

Lynda Eisenberg, Director

(410) 386-5145

---

**DATE:** March 17, 2021

**TO:** Board of County Commissioners

**FROM:** Lynda Eisenberg 

**RE:** Community Solar Zoning Text Amendment

On behalf of the Planning and Zoning Commission, after several months of discussion with staff and comments by the public, the Commission is recommending amending the County Code of Ordinance, specifically sections 158.002, 158.070, and 158.153 for the Allowance of Community Solar Energy Generating Systems in the Agricultural Zone. The purpose of the change is to allow Community Solar in the Agricultural Zone, specifically Agricultural Remaining Portions of 5 acres or greater in size where this use is not currently allowed.

A briefing before the Board is scheduled for March 25<sup>th</sup>. Land and Resource Management looks forward to working with you on this amendment.
