# QUICK GUIDE TO THE COMMUNITY INVESTMENT PLAN

## A Quick Guide to the FY 23 – 28 Community Investment Plan Department of Management and Budget

#### Introduction

This Quick Guide is intended to serve as a summary of important information and changes, as well as a tool for understanding and locating information in the budget books.

Recommended, Proposed, and Adopted Budgets are available online at <u>https://www.carrollcountymd.gov/government/directory/management-budget/bureau-of-budget/</u>.

#### Revenues (27-35)

- Total Capital Fund revenues are budgeted at \$121.0M in FY 23, an increase of \$20.1M from the FY 22 Capital Fund budget of \$100.9M.
- A portion of Real Property Tax revenue is appropriated directly to the Agricultural Land Preservation Program.
- 9.09% of Local Income Tax has been dedicated for school construction and debt service.
- Impact Fee collections are used to fund school and park construction projects. The School Impact Fee is set at \$0 until FY 24 due to the County having met capacity needs.
- A portion of Real Property Tax revenue is appropriated directly to the Watershed Protection and Restoration Fund. This funding is transferred to the Capital Fund for Watershed Assessment and Improvement (NPDES) projects.
- The State allocation of Highway User Revenue is directly appropriated to the Capital Fund for road projects.

#### Public Schools (44-60)

- Career and Technology Center This project provides \$20.2M in FY 23 24, for total funding of \$73.8M, to expand and renovate the Career and Technology Center.
- East Middle School Replacement \$9.0M is included in FY 23 24, for total funding of \$65.6M, for the design and construction of a replacement middle school.

### **Conservation and Open Space (61-67)**

- Agricultural Land Preservation Total funding for Agricultural Land Preservation for FY 23 28 is \$37.9M and includes funding for easements and debt service to landowners participating in Installment Purchase Agreements (IPAs). A portion of Property Tax is dedicated to this project and to debt service on IPAs.
- Stormwater Facility Renovation \$1.9M is included in FY 23 28 for a longterm plan to keep existing County-owned stormwater management facilities in

compliance with the National Pollution Discharge Elimination Permit and to extend the useful life of the facilities. The plan is to evaluate and repair 5 to 10 facilities per year over a 30-year period. Funding will be used for erosion repairs, replacement of filter material, and replacement of metal pipes with concrete pipes.

• Watershed Assessment and Improvements (NPDES) – \$22.2M is included in the FY 23 – 28 CIP to implement watershed improvement projects to work toward mitigating impervious surface areas within the County to stay compliant with the NPDES permit. In FY 15, the municipalities and the County agreed to a combined NPDES permit with the County paying 80% of the cost to mitigate municipal impervious surfaces. The County has applied for a new 5-year permit and is waiting for approval.

#### Public Works (68-98)

- Approximately \$106.2M is included in the FY 23 28 CIP to maintain roads throughout the County through Pavement Management and Pavement Preservation.
- Georgetown Boulevard Extension Funding of \$2.4M is included in FY 24 25 to extend Georgetown Boulevard to Progress Way.
- Monroe Avenue Connection \$1.4M is planned to extend Monroe Avenue.
- Ridenour Way Extension Funding of \$1.2M is included in FY 23 to extend Ridenour Way to Old Liberty Road, for total funding of \$1.5M.
- Public Works Unallocated Funding of \$0.7M is included in FY 23.
- Funding of \$2.8M is included for video inspection and rehabilitation of storm drains in FY 23 28.
- Shepherds Mill over Little Pipe Creek Funding of \$0.3M is included in FY 23 for contractual inspection services, for total funding of \$4.3M.
- Patapsco Road over East Branch Patapsco Funding of \$2.1M is included in FY 23 24 for a replacement bridge structure.
- Upper Beckleysville Road over Murphy Run Funding of \$1.7M is included in FY 23 24 for a replacement bridge structure.
- Funding of \$8.7M is included in the plan for the rehabilitation of eight additional bridge structures. Additional funding is included outside the plan for two of the eight structures.

### **Recreation and Culture (99-121)**

- Funding of \$0.9M is planned for FY 23 FY 24 to replace waterless restrooms and install field lighting at Cape Horn Park.
- Funding of \$0.1M is included in FY 23 for a replacement pavilion and paving of a parking lot at Freedom Park.
- Gillis Falls Trail Phase II Funding of \$0.7M is included in FY 25 to design a trail from Salt Box Park to Gillis Road.
- Hashawha Waterless Restroom Funding of \$0.1M is planned for FY 28 to install waterless restroom.

- Northwest Regional Park In FY 23 and FY 28, funding of \$0.3M and \$0.8M is included for design and first phase of construction for a 145-acre site north of Taneytown.
- Northwest Trail Funding of \$1.1M is planned in FY 24 and FY 25 to establish a trail from Taneytown to the Pennsylvania line.
- Three Pavilions are planned to be replaced in FY 26 for \$0.3M at Freedom Park, Piney Run Park and North Carroll Community Pond.
- Funding of \$0.5M is provided for improvements at Piney Run Park including paving of an existing stone road and parking lots, and replacement of the seawall and boat launch.
- Recreation and Parks Unallocated Funding of \$0.1M is included in FY 23.
- Sandymount Park Waterless Restrooms Funding of \$0.3M is planned for FY 27 to install waterless restrooms.
- Sports Complex Dugout Improvements Funding of \$0.3M is planned for FY 27 to replace the dugout benches and install concrete pads and dugout shades.
- Union Mills Recreation Area Funding of \$0.4M is planned for FY 28 to develop a Master Plan and begin design of over 1000 acres of land.
- Union Mills Water Wheel, Shaft, and Flume Replacements are included in FY 23 24 for \$0.6M, for total funding of \$0.9M.

## General Government (122-148)

- Carroll Community College Systemic Renovations This project provides funding of \$6.2M in FY 23, for total funding of \$12.0M, for replacement of fire alarms, boilers, chillers, and building envelope restoration.
- Carroll Community College Technology Funding of \$0.7M is included in FY 23 FY 24 for replacement of laboratory computers and classroom technology.
- Carroll Community College Turf Field This project provides funding of \$2.4M in FY 23 to install a turf field.
- County Building Systemic Renovations This project provides funding of \$6.9M in FY 23 28 for replacement of County facilities' systemic components.
- County Technology Funding of \$8.6M is included in FY 23 28 for replacement of County government information and communication systems.
- Countywide Master Plan This project provides funding of \$0.6M in FY 23 for review and amendment of Carroll County's Comprehensive Master Plan and Water Resource Element, required every 10 years by State law.
- Courthouse Annex Renovation Funding of \$1.3M, for total funding of \$1.5M, is included in FY 24 25 to renovate office space and bathrooms.
- Farm Museum Pavilion Replacement Funding of \$0.6M is included in FY 23.
- General Government Unallocated Funding of \$5.0M is included in FY 23.
- Infrastructure Reserve Funding of \$3.0M is included in FY 23 to address the growing need to replace aging infrastructure.
- Organizational Structure and Policy Implementation Funding of \$0.5M is included in FY 23 to provide one-time funding for potential implementation efforts following examination of County organizational structure along with classification and compensation policies.

- Payroll/Human Resources System Replacement Funding of \$0.1M is included in FY 23, for a total of \$1.1M, to address organizational changes, grant compliance, and integration of data.
- Piney Run Dam Rehabilitation This project provides funding of \$7.5M to comply with MDE safety and performance standards.
- Public Safety Emergency Communications Radios This project provides funding of \$4.7M for replacement of mobile and portable radios used by Public Safety and other governmental agencies.
- Public Safety Circuit and Microwave Network Replacement This project provides funding of \$4.0M in FY 23 24 for replacement of microwave network components of the County's wireless communication system.
- Sheriff's Office Headquarters Funding of \$30.4M is included for construction of a headquarters in the Westminster area in FY 23 FY 24.

### Airport Enterprise Fund (157-160)

• Airport Building Repairs – Funding of \$1.5M is included in FY 23 – 28 for building repairs and roof replacements.

### Fiber Network Enterprise Fund (161-163)

• CCPN Equipment Replacement – Funding of \$1.2M is included in FY 26 and FY 28 for the replacement of equipment for the Carroll County Public Network.

### Septage Enterprise Fund (164-166)

• Westminster Septage Facility Improvements – This project provides funding for improvements at the Septage Facility. In FY 23, bonds will be replaced with current year Septage Enterprise Fund revenues.

### Solid Waste Enterprise Fund (167-171)

- Funding of \$4.0M is included for expansion and improvement projects of the Northern Landfill in FY 23.
- Waste Transfer Station Floor Replacement The project provides funding of \$0.4M in FY 23 for replacement of the waste transfer station floor.

## **Utilities Enterprise Fund (172-190)**

- County Sewer Line Rehabilitation/Replacement and County Water Line Rehabilitation/Replacement Funding of \$14.0M is included in FY 23 28 to rehabilitate, repair, and replace water and sewer lines in the Freedom, Bark Hill, Hampstead, and Pleasant Valley Service Areas.
- Funding of \$8.0M is included in FY 23, for a total funding of \$18.6M, for rehabilitation and replacement of water and sewer lines in downtown Sykesville through the Town of Sykesville Water and Sewer Upgrades project.
- Funding is included for the rehabilitation of two wastewater treatment plants and three pump station projects.

# **Capital Fund Appropriations**

# Fiscal Year 2023 Budget

# \$121,022,126

This chart shows appropriations to the five principal groupings in the Capital Fund.

Public Schools includes Board of Education construction, renovation, and modernization projects.

Conservation includes agricultural land preservation and easement programs, NPDES compliance projects, water development, and acquisition of property for other County uses, which may include future roadway easements and public facilities.

Public Works includes projects for the maintenance and construction of roads and bridges.

Recreation and Culture includes the purchase of park land, development and restoration of parks, and preservation of Union Mills Homestead.

General Government includes projects for Public Safety, Carroll Community College, Carroll County Public Library, State's Attorney's Office, Technology Services, Senior Centers, Farm Museum, Board of Elections, Sheriff's Office, and other County needs and improvements.

### Community Investment Plan - Schedule of Reappropriations Fiscal Year 2023

Reappropriations are a transfer of funds. They may occur when there are unspent budgeted funds from a completed or cancelled project, or when there is an unallocated project that holds funds for future use.

# **Overview of Public Schools CIP**

The Public Schools Community Investment Plan (CIP) includes school construction, such as additions and modernizations, as well as other school-related projects. School construction is funded primarily by dedicated Local Income Tax revenue, State funding, and Impact Fees.

Developing the school construction plan is a complex process involving the Board of Education's plans, priorities and requests, enrollment projections, redistricting plans, and projected development.

Funding is included to address the Carroll County Career and Technology Center through a twophased project. The first phase includes planning and construction of a 21,000 square foot addition to the existing Career and Technology Center. The second phase renovates the existing building to better accommodate programs.

The final phase of funding for a replacement East Middle School is included.

Even with the \$149.1M included in the plan, all project requests could not be funded. In recent years, the Board of Education has identified several needs that have no existing or planned funding. Unfunded projects include:

- William Winchester Elementary Modernization
- Robert Moton Elementary BEST Program Addition
- Cranberry Station Elementary Kindergarten Addition
- Friendship Valley Elementary Kindergarten and PRIDE Addition
- Sandymount Elementary Kindergarten Addition
- Taneytown Elementary Kindergarten Addition

Following this overview are copies of the Board of Education's Ten-Year Facilities Master Plan Calendar and the FY 23 State Capital Improvement Plan Budget Request/FY 2024 – 2028 Capital Improvement Program Plan. For additional information on Public School projects, please refer to the individual project pages.

# **Career and Technology Center**

### Taylor Hockensmith, Management and Budget Project Coordinator (410) 386-2082

This project provides funding to address space needs and an aging facility at the Career and Technology Center, located in Westminster. Included in the project is construction of approximately 108,000 square feet of additional space, demolition of 23,500 square feet, and renovation of 83,000 square feet. The renovated and additional square footage will better accommodate existing programs and create space for the new Interactive Media program.

Project is contingent on State funding.

# East Middle School Replacement

### Taylor Hockensmith, Management and Budget Project Coordinator (410) 386-2082

This project provides funding for the design and construction of a 126,000 square foot replacement school for East Middle, located on Longwell Avenue in Westminster. In addition to a new building, this project will also include parking and athletic fields.

Project is contingent on State funding.

# HVAC System Replacement - Oklahoma Road Middle

Taylor Hockensmith, Management and Budget Project Coordinator (410) 386-2082

This project provides funding for replacement of existing rooftop air handler units and terminal control units, heating and cooling plants, associated piping and pumps, replacement/upgrade of the pnuematic control system, and an upgrade to the electrical equipment with new panelboards and replacement emergency generator.

Project is contingent on State funding.

# **Relocatable Classrooms**

### Taylor Hockensmith, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for the removal and relocation of relocatable classrooms from various school sites where they are no longer needed. An evaluation of the condition and utilization of the existing classroom inventory was performed to identify units for potential removal or relocation.

# **Technology Improvements**

### Taylor Hockensmith, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for technology improvements. Funding will allow for technology replacements, upgrades to infrastructure hardware and software, and installation and replacement of hardware, such as servers, and network infrastructure equipment. Cabling upgrades, wireless technologies, and other core telecommunications are included in the technology infrastructure of the school system.

# **Transfer to Operating Budget for BOE Debt Service**

Taylor Hockensmith, Management and Budget Project Coordinator (410) 386-2082

A percentage of the Local Income Tax revenue is dedicated to school construction and appropriated directly into the Capital Fund. This project is for the portion of these dedicated funds transferred to the General Fund to pay debt service related to school construction projects. Because dedicated Local Income Tax is budgeted in the Capital Fund and then transferred to the General Fund, the funding is counted twice in the All Funds Budget.

# CONSERVATION AND OPEN SPACE

# **Overview of Conservation and Open Space CIP**

The FY 23 – 28 Conservation and Open Space CIP consists of funding for land preservation and water resources. Approximately \$37.9M is included for the Agricultural Land Preservation Program in both the Capital and Operating budgets and is funded with a combination of dedicated Property Tax revenue, bonds, Agricultural Transfer Tax revenue, and State participation. Property Tax funding is included to allow for the acquisition of easements through Installment Purchase Agreements and for the payment of interest to landowners.

The FY 23 – 28 CIP continues funding to maintain the County's permit associated with the Federal National Pollutant Discharge Elimination System (NPDES) program. The 2005 – 2010 permit required a total of 10 percent of the County's impervious surface be remediated. The County and the eight municipalities entered into a memorandum of agreement combining the municipalities and County into one permit. The joint permit, issued for 2015 – 2020, required an additional 20 percent remediation of impervious surface, and was linked to the Watershed Implementation Plan of the Chesapeake Bay Total Maximum Daily Load (TMDL). The Chesapeake Bay TMDL sets limits on allowable pollutants in bodies of water. The requirements for the Chesapeake Bay TMDLs are currently unknown and may require additional funding above and beyond planned levels. The County has applied for a new 5-year permit and is waiting for approval. In the interim, the current permit has been administratively extended.

To remain compliant with the NPDES permit, the Stormwater Facility Restoration project was established to keep stormwater management facilities working properly.

For additional information on these or other Conservation and Open Space projects, please refer to the individual project pages.

# **Agricultural Land Preservation**

### Chizuko M. Godwin, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the Carroll County Agricultural Land Preservation program. The program provides an opportunity for landowners to make long-term commitment to agriculture as a viable industry and preserve the rural character of Carroll County.

The County offers two payment options to the landowners: Installment Purchase Agreement (IPA) or Lump Sum. The IPA option pays the landowner for easement over a 20-year period. The Lump Sum option pays for the easement at the time of settlement. The Maryland Agricultural Land Preservation Foundation (MALPF), a lump-sum payment program, is jointly funded by the State of Maryland and Carroll County.

A portion of Property Tax revenue is dedicated to the Agricultural Land Preservation program, to be appropriated in the Capital Fund for easement purchases, and in the General Fund for interest payments to landowners in the Debt Service-Agricultural Preservation budget. The Capital Fund portion is capped at \$2.5M ongoing. FY 23 funding includes one-time additional funding of \$1,000,000.

The appropriations are listed in the charts below. The Total Appropriation - IPA and Lump Sum are for easement purchases; operating impacts are interest payments appropriated to the General Fund; and the Total Appropriation - Ag Pres at the bottom of this page includes costs for both the Lump Sum and IPA options.

# **Stormwater Facility Renovation**

Chizuko M. Godwin, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to keep existing County-owned stormwater management facilities in working condition and in compliance with the National Pollution Discharge Elimination System (NPDES) Permit. Five to seven facilities per year, over a 30-year period, will be evaluated. Funding will be used for repairs, and to replace pipes and filter media.

### Watershed Assessment and Improvement (NPDES)

#### Chizuko M. Godwin, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to comply with the Federal Clean Water Act. The Act requires the County to secure a permit under the National Pollutant Discharge Elimination System (NPDES) for storm sewer systems. The permit requires the county to map and assess the condition of the storm sewer systems and of the watersheds that discharge into them. The County and the eight municipalities have entered into a memorandum of agreement (MOA) to obtain a joint five-year NPDES permit to address stormwater issues. Under the joint permit issued in FY 16, the County and municipalities are required to mitigate impervious surface runoff. As part of the MOA, the County manages the construction of the mitigation projects on behalf of the municipalities. The municipalities provide funding of the County equivalent to 20% of the construction cost of municipal impervious acres.

The current permit expired in FY 20, but has been administratively extended. Estimates of Town contributions have been included in anticipation that the Towns and County will again participate in a joint permit. The estimate is based on assumption of the MOA signed by the Towns and County for the current permit.

Because dedicated Property Tax is budgeted in the Special Revenue Fund and then transferred to the Capital Fund, the funding is counted twice in the All Funds Budget.

### Water Development

### Chizuko M. Godwin, Senior Management and Budget Analyst (410) 386-2082

This project provides funding for infrastructure for water source development and transport in order to address current and future water supply issues throughout Carroll County. Water source development may include new groundwater wells, surface water intake, and storage facilities.

Funding in FY 23 restores funding transferred to the Charles Carroll Gymnasium and Community Center project in FY 22.

### **Overview of Public Works CIP**

The Public Works CIP includes two sections: Roads and Bridges.

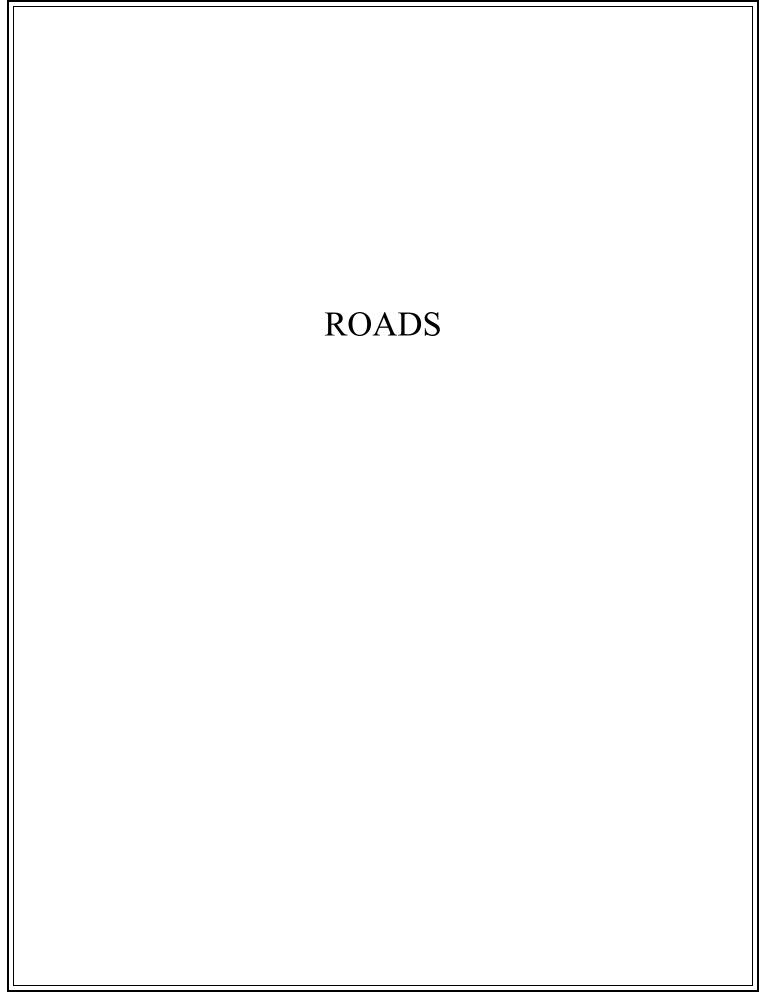

Approximately \$106.2M is included in the CIP to maintain and rehabilitate 900 miles of roads throughout the County. Approximately thirty-five percent of the County's road network is considered mainline or arterial roads. These roads carry a higher traffic volume. Sixty-five percent are lower volume roadways, including neighborhood roads. Typical repair strategies include sealing, overlay, mill and overlay, full-depth reclamation, and reconstruction.

Ongoing funding is included for inspection of storm drains. Video inspections will assess the condition of the storm drain system and rehabilitation funding is included for pipe lining and replacement of storm drains and small drainage structures.

Three road extensions/connections are included: Georgetown Boulevard, Monroe Avenue, and Ridenour Way. Georgetown Boulevard will be extended to Progress Way, Ridenour Way will connect to Old Liberty Road, and Monroe Avenue will be extended.

Funding is included for the replacement of eleven bridge structures. Two structures have funding included for design, with construction funding outside the plan. Additional funding for Shepherds Mill over Little Pipe Creek in FY 23 is for contractual inspection services.

For additional information on these or other Public Works projects, please refer to the individual project pages.

# **Georgetown Boulevard Extension**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

Functional Classification: Urban Major Collector (planned)

Average Daily Traffic: TBD

Total Planned Project Limits: Londontown Blvd. north to Progress Way (total length of approximately 2,200 feet, of which approximately 1,500 feet will be provided by developers)

This project provides planned funding to extend Georgetown Boulevard from the current terminus at Londontown Boulevard to Progress Way. The remaining portion of this extension will be provided by the developer of the property located along, and east of, the planned roadway alignment.

### **Highway Safety Improvements**

### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to address roadway segments and intersections with a history of frequent or severe crashes, and those with a significant potential for crashes. Possible improvements include minor changes in intersection geometry, turn lanes, signing additions or upgrades, traffic calming measures and pavement marking upgrades.

Recently completed improvements include Sunshine Way traffic calming concept design, Bartholow Road pedestrian crossing design, and Compton Lane intersection evaluation.

### **Pavement Management Program**

### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for the maintenance, repair, or rehabilitation of the County's 900 miles of paved roads. Collected road condition information is used in a pavement management software program to recommend cost-effective repairs. Repair strategies include: patching, overlay, mill and overlay, full depth reclamation, and reconstruction. Drainage structures and traffic barriers are inspected, repaired, replaced, or added where necessary, and sidewalk accessibility will also be evaluated and included if upgrades are due.

Maintaining a road network in satisfactory condition is one of the goals of the Department of Public Works. While addressing roads near failure is important, maintaining roads in fair and satisfactory condition is important as well. It is cost effective to address roads while the amount of repairs is minimal and this balanced approach keeps the network in satisfactory condition.

One-time funding is provided in FY 23 to restore funding reduced during the FY 20 budget process.

### **Pavement Preservation**

### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to place a maintenance seal coat, such as microsurface, on paved roads. Pavement preservation is applied to roads still in good condition, before the onset of serious damage. Annual funding addresses approximately 30 - 40 miles.

This project list will be generated in the spring in preparation for the summer construction season.

### **Public Works Unallocated**

### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides a source of funding in the event a capital project needs funds to cover costs over budget, unanticipated expenses, or emergencies. The Unallocated project is similar in nature to the Reserve for Contingencies in the General Fund. Any transfers from this project must be approved by the Board of County Commissioners through a Capital Budget Resolution.

# **Ramp and Sidewalk Upgrades**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to upgrade or replace non-compliant ramps and sidewalks for ADA accessibility. This project allows for the acceleration of the replacement and upgrade process for non-compliant ramps and sidewalks not addressed through the Pavement Management Program.

### **Small Drainage Structures**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to rehabilitate or replace deteriorated drainage structures including culvert headwalls and ancillary drainage features.

The Department of Public Works continues to incorporate all pipe culverts and drainage structures into Geographic Information Systems (GIS). Once the locations are identified and mapped, field condition assessments can be made to help determine the most-effective approach to replacing and repairing these structures.

### **Storm Drain Rehabilitation**

### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to maintain the storm drain system through rehabilitation and replacement. The County maintains about 180 miles (or 950,000 feet) of storm drain infrastructure, primarily located in neighborhoods where curbing, inlets, and manholes exist. Many of these systems were constructed with corrugated metal pipe, which has a life span of 30 - 50 years.

From 2018 to 2020, over 6,500 linear feet of storm drain pipes were rehabilitated.

# **Storm Drain Video Inspection**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to gather video inspection data of existing storm drain pipes. Inspection data is also collected for roads repaired through the Pavement Management program. Video inspections determine if repairs or replacements are needed, and funding is provided for infrastructure rehabilitation in Storm Drain Rehabilitation.

# **Bridge Inspection and Inventory**

### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for the inspection of 20 minor structures that do not qualify for use of Federal funds. Small structures are inspected every four years in the same manner as the 136 major County-maintained structures. This project includes hands-on field inspections of all 20 structures, as well as completion and submission of inspection reports, which summarize findings. Report recommendations are used to evaluate repairs and structure replacements.

### Bridge Maintenance and Structural Repair

### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for preventative maintenance and small repairs to County-maintained bridges, including: deck joint replacements, structural steel repairs, concrete patching, stream channel stabilization, traffic barrier replacement, and approach roadway repairs. Several projects have been identified for the work types and are listed below.

Listed below are potential sites for a replace	ement bridge seal project:	
CL 208 Baptist over Alloway Creek	CL 211 Bowers over Alloway Creek	CL 364 Adams Mill over Little Pipe Creek
CL 234 Hapes Mill over Big Pipe Creek	CL 262 Mayberry over Bear Branch	CL 353 Patapsco over W. Branch Patapsco

### **Cleaning and Painting of Bridge Structural Steel**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for cleaning and painting of bridge structural steel. Cleaning and painting slows deterioration and extends the useful life of steel structures. Funding is accumulated over several years to allow for completion of a larger project involving multiple structures.

Listed below are potential sites for the next project:

- CL 207 Baptist Road over Alloway Creek
- CL 208 Baptist Road over Alloway Creek
- CL 211 Bowers Road over Alloway Creek
- CL 262 Mayberry Road over Bear Branch
- CL 272 Halter Road over Big Pipe Creek

### Hawks Hill Road over Little Pipe Creek Tributary

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

Functional Classification: Rural Local Average Daily Traffic: 253 Bridge Number: CL 242

This project provides funding to replace the small bridge, located in western Carroll County near the Town of New Windsor. The existing structure is concrete encased steel beams on stone masonry abutments. The type of replacement structure will be determined based on an alternatives analysis. The structure width and waterway opening will be evaluated as part of the analysis. The structure is posted for weight limits.

This project does not qualify for Federal aid due to the overall length of the structure.

### McKinstry's Mill Road over Little Pipe Creek

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

**Commissioner District: 4** 

Proj #

Functional Classification: Rural Local Average Daily Traffic: 338 Bridge Number: CL 236

This project provides planned funding to replace the bridge, located in western Carroll County, east of the Town of Union Bridge, with a new structure. The type of replacement structure will be determined based on an alternatives analysis. The structure width and waterway opening will be evaluated as part of the analysis.

# RECREATION AND CULTURE

### **Overview of Recreation and Culture CIP**

The Recreation and Parks portion of the FY 23 - 28 CIP provides facilities for passive (natural park areas) and active (ballfields) recreational opportunities. The primary sources of funding for recreation projects are Impact Fees and Program Open Space (POS) funding. Impact Fees are charged to developers of new homes in Carroll County to partially offset the cost of providing recreation facilities to serve those new homes. POS funding is provided as a portion of the State Real Estate Transfer Tax for the acquisition and development of park facilities. Projects include Recreation and Parks, and the Union Mills Homestead. These projects maintain County infrastructure and are funded primarily using Program Open Space dollars.

Funding is provided in the FY 23 - 28 CIP for design and the first phase of construction for property on Route 194 near Taneytown. Piney Run Park projects include paving and replacement of a seawall and launch area. Cape Horn Park projects include field lighting and replacement of waterless restrooms. New waterless restrooms are also planned at Sandymount Park and Hashawha.

Other projects include replacement of four tot lots, three pavilions, Sports Complex dugout improvements, and historical restoration of Union Mills Homestead waterwheel and flume.

The development of two trails is planned: one near Salt Box Park and one north of Taneytown.

Funding continues for Self-Help projects. These projects are cooperative ventures between local community groups and the County and enable the County's Recreation Councils to identify projects to enhance park facilities countywide.

For additional information on Recreation and Parks projects, please refer to the individual project pages.

## **Community Self-Help Projects**

#### Ashleigh Smith, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the Self-Help program in an effort to create community interest and involvement in recreational facilities throughout Carroll County. It enables communities to accomplish recreational projects approved by the Recreation and Parks Advisory Board and Board of County Commissioners. Individual projects may not exceed \$25,000 and can receive up to 75% funding from Community Self-Help, up to 85% if it includes volunteer labor. The remaining cost of the project is provided by the community.

## Hashawha Waterless Restroom

Ashleigh Smith, Management and Budget Analyst (410) 386-2082

Proj #

This project provides planned funding to install a new waterless restroom at Hashawha Environmental Center, located on Route 97, north of Westminster.

Project is contingent on State funding.

Operating impacts, beginning outside the plan, include maintenance.

# Land Acquisition

#### Ashleigh Smith, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the required 25% Program Open Space allocation for land acquisition projects. Projects must be consistent with the goals of the local Land Preservation Parks and Recreation Plan (LPPRP) and Program Open Space Annual Program. Funding is included in this project for future acquisitions and has not been allocated to specific projects.

# **Northwest Regional Park**

#### Ashleigh Smith, Management and Budget Analyst (410) 386-2082

This project provides funding to develop a Master Plan for a 145-acre site, located off of Route 194, north of Taneytown. Funding in FY 23 is also included for design once the Master Plan is complete. Planned funding in FY 28 will start the first phase of construction. Additional phases of construction will be included outside of the plan.

#### Project is contingent on State funding.

*Operating impacts, beginning outside of the plan, include maintenance.*

## **Recreation and Parks Unallocated**

#### Ashleigh Smith, Management and Budget Analyst (410) 386-2082

This project provides a source of funding in the event a capital project needs funds to cover costs over budget, unanticipated expenses, or emergencies. The Unallocated project is similar in nature to the Reserve for Contingencies in the General Fund. Any transfers from this project must be approved by the Board of County Commissioners through a Capital Budget Resolution.

## **Town Fund**

#### Ashleigh Smith, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to the eight towns within the County as a five percent match to Program Open Space (POS) projects. Every year since the early 1970s, the State has made POS funds available to the towns for development of municipal parks. Up to 90% of the cost of the municipal projects may be reimbursed through POS funding. The County contribution shown below is to cover 5% of the approved municipal projects. The remaining 5%, as well as any cost overruns, are the responsibility of the towns.

# GENERAL GOVERNMENT

# **Overview of General Government CIP**

The General Government portion of the Community Investment Plan (CIP) addresses capital projects that do not specifically fit in one of the other five categories: Recreation and Parks, Public Works, Public Schools, Conservation and Open Space, and Enterprise Funds. General Government projects are typically related to Public Safety, Carroll Community College, Carroll County Public Library, Sheriff's Office, Board of Elections, Technology Services, Senior Centers, and other County facilities.

Included is ongoing funding for technology improvements for County Government and Carroll County Public Library. Systemic improvements, replacements, and renovations for County facilities, including generators, roofs, HVAC components, and parking lots are included.

Carroll Community College projects include technology improvements, and fire alarm, boiler, chiller replacements, and installation of a turf field.

Funding is provided for the Piney Run Dam Rehabilitation to bring the dam up to safety and performance standards required by the State.

Ongoing funding is provided for Public Safety emergency communication radios, as well as for regional water supply infrastructure to support firefighting operations. Funding is provided for a Circuit and Microwave Network Replacement project to replace part of existing radio communication infrastructure.

Funding is also included for review and amendments to the County's Comprehensive Master Plan and Water Resource Element. The Master Plan is required every 10 years by State law.

Other projects include construction of a headquarters for the Sheriff's Office, a replacement pavilion at the Farm Museum, and renovation projects at the Courthouse Annex and Sheriff's Office Patrol Area in the Detention Center.

For additional information on General Government projects, please refer to the individual project pages.

# **Carroll Community College Systemic Renovations**

Chizuko M. Godwin, Senior Management and Budget Analyst (410) 386-2082

This project provides funding for systemic improvements to Carroll Community College facilities including building envelope restoration, fire alarm, and boiler and chiller replacements. It is anticipated the State will provide approximately half of the total funding for this project.

The Prior Allocation is for design, restoration of the building envelope, and fire alarm replacement. Listed below are projects in priority order:

Honeywell Control systems upgrades Fire Alarm upgrades Main/"A" Building boiler replacements Chiller replacements Main/ "A" Building Roof Replacement Exterior Building Renovations

# **Charles Carroll Gymnasium and Community Center**

Chizuko M. Godwin, Senior Management and Budget Analyst (410) 386-2082

This project provides funding for the construction of a 13,680 square foot building to include a gymnasium and community center on the site formerly known as Charles Carroll Elementary, located on Littlestown Pike. The Prior Allocation provided for demolition of the original building and construction of a 12,000 square foot community center.

Funding in FY 23 is to restore bonds transferred from the Water Development project in FY 22.

## **County Technology**

#### Chizuko M. Godwin, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for systematic replacement of County information and communication systems including computers, servers, printers, network infrastructure, and security cameras. The County replaces user equipment, peripherals, and core IT infrastructure on a cyclical basis. Listed below are planned projects:

Court Smart Replacements for Circuit Court Routers and Switches Replacements Security Cameras and Door Controller Replacement Virtual Server and Back-Up System Upgrade/Replacement Wireless Equipment

## **Countywide Master Plan**

#### Ashleigh Smith, Management and Budget Analyst (410) 386-2082

This project provides funding for review and amendments of the County's Comprehensive Master Plan and Water Resource Element (WRE), as required every 10 years by State law, to evaluate baselines for economic development and housing. The Comprehensive Master Plan project will be completed in three phases: an economic development study (FY 23), a housing study (FY 24), and a visioning, marketing, and outreach effort (FY 25). The economic development study will evaluate the County's supply of land, jobs, and industry, identify emerging trends, and explore how the County is positioned in the State, Region, and Country. The housing study will determine the County's current housing stock and what is needed to meet future demand as well as implement new state laws and metrics for fair and affordable housing. The last phase promotes the Carroll County Master Plan through marketing, public outreach, and develops a vision for the County for the next 30 years.

# **Courthouse Annex Renovation**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides planned funding to renovate the Courthouse Annex office space currently occupied by the State's Attorney's Office. Funding is included to reconfigure the office space and renovate the bathrooms. The State's Attorney's Office will be moving to a new building to relieve overcrowding in the Courthouse Annex.

## **General Government Unallocated**

#### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides a source of funding in the event a capital project needs funds to cover costs over budget, unanticipated expenses, or emergencies. The Unallocated project is similar in nature to the Reserve for Contingencies in the General Fund. Any transfers from this project must be approved by the Board of County Commissioners through a Capital Budget Resolution.

# **Organizational Stucture and Policy Implementation**

Taylor Hockensmith, Management and Budget Project Coordinator (410) 386-2082

The County is currently undergoing a major examination of its organizational structure and classification and compensation policies. This project provides one-time funding for potential implementation efforts.

### **Parking Lot Overlays**

Chizuko M. Godwin, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to overlay parking lots at County facilities. Listed below are planned projects:

Farm Museum County Office Building Upper Lot Union Mills North Street Front Lot Carroll County Workforce Development (formerly BERC) Maintenance Center Back Lot Ascension Church Kessler Building

Funding increases in FY 23 - 24 due to projected additional Highway User Revenue applied to the Pavement Management capital project, making General Fund dollars available for use on this project.

# Payroll/Human Resources System Replacement

Chizuko M. Godwin, Senior Management and Budget Analyst (410) 386-2082

This project provides funding for conversion of the Payroll/Human Resources System from the current HP3000 to a Windows-based platform. Additional funding is included in FY 23 to address organizational changes, grant compliance and integration of data from timecard system to the new payroll system.

## Public Safety Radio Circuit and Microwave Network Replacement

Taylor Hockensmith, Management and Budget Project Coordinator (410) 386-2082

This two phased project provides funding for replacement components of the County's radio network. The first phase, in FY 23, provides funding for the required conversion of T1 circuits to Ethernet circuits in order to maintain updates for the County's 800 MHz radio system. The second phase, in FY 24, provides funding for replacement of the microwave network components of the County's wireless communication system.

## **Public Safety Regional Water Supply**

Taylor Hockensmith, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for the installation of water tanks and dry hydrants throughout the County. Water tanks provide a 30,000 gallon source of water to support firefighting operations. Dry hydrants use sources, such as streams and ponds, to access water for use in firefighting activities in areas that are otherwise without a readily accessible supply of water.

# Sheriff's Office - Headquarters

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides funding for construction of a 42,500 square foot consolidated Sheriff's Office headquarters, located in Westminster.

Operating impacts, beginning in FY 26, include utilities, insurance, trash removal, janitorial services, etc.

# ENTERPRISE FUNDS

# **Overview of Enterprise Funds CIP**

Enterprise Funds are used to account for operations that are funded and operated in a manner similar to private businesses. Carroll County has six enterprise funds: Carroll County Regional Airport, Fiber Network, Hap Baker Firearms Facility, Septage, Solid Waste, and Utilities (Water and Sewer). There are no projects for the Firearms Facility.

### <u>Airport</u>

Funding is included for building repairs and roof replacements at the Carroll County Regional Airport.

### Fiber Network

The Fiber Network CIP includes funding for Carroll County Public Network (CCPN) equipment replacement.

### Solid Waste

The Solid Waste CIP includes funding to replace the waste transfer station floor and for expansion and improvement projects at the Northern Landfill.

### **Utilities**

The Bureau of Utilities operates Freedom Sewer, Freedom Water, Hampstead Sewer, and several small water and sewer systems. Projects can generally be divided into those intended to improve the existing system, such as rehabilitation projects to reduce inflow and infiltration, and those intended to provide for increased demand. Included is sewer and water line repairs and funding for water and sewer line upgrades in the Town of Sykesville. Funding is included for the rehabilitation of two wastewater treatment plants and three pump station projects.

For additional information on these or other Enterprise Fund projects, please refer to the individual project pages.

# Westminster Septage Facility Improvements

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides funding for improvements at the Septage Facility to coincide with the City of Westminster's Wastewater Treatment Plant Enhanced Nutrient Removal and Bio-Solids Upgrade. The Bio-Solids Upgrade requires installation of a sludge press and pumping station. Also included is the replacement of the screen, installation of a grit removal system, and electrical upgrades.

In FY 23, bonds will be replaced with current year Septage Enterprise Fund revenues.

#### Sewer Manhole Rehabilitation

#### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to rehabilitate sewer manholes. Rehabilitation strategies include: foam injection, spray-on lining, manhole risers to raise the top structures, and replacement of existing manhole covers with sealed structures. New manhole installations are also included in this project.

### Water Meters

#### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for the upgrade and replacement of approximately 10,000 residential meters and 420 commercial meters. The upgrade includes software and hardware equipment that will enable remote readings, and could also include replacement of, or conversion to, meter vaults. Conversion moves the meter from inside private houses to a vault located in the County right-of-way to allow easier maintenance and meter readings.

#### Water Service Line Replacement

#### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to replace water service lines. Leaking water lines lead to increased operational costs and loss of treated water. The allocation for this project funds the replacement of approximately 80 - 90 water service lines annually. This is for the the service line from the water main to either the water meter vault or the curb stop, which is the responsibility of the County.

# GLOSSARY OF TERMS AND ACRONYMS

### **GLOSSARY OF TERMS AND ACRONYMS**

ADA Americans with Disabilities Act.

**AGRICULTURE TRANSFER TAX** Tax on the sale of property located within an area zoned for agriculture; proceeds are used to help fund the Agricultural Land Preservation program.

**APPROPRIATION** Legal authorization to spend a specific amount of money for a particular purpose during a fiscal period.

**BALANCED BUDGET** A budget in which total expenditures equal total revenues. By State Law, the County's budget must be balanced.

**BOE** Board of Education.

**BOND** An investment grade interest-bearing certificate of indebtedness sold by the County or another governmental agency to generate funds. The bond guarantees payment of the original investment plus interest by a specified date or dates in the future. Bonds typically involve long-term indebtedness to pay for capital projects.

**BONDED DEBT** The total amount owed by the County as a result of the sale of general obligation or other bonds guaranteed by the County Government.

**CAPITAL BUDGET** This budget funds construction and improvement projects such as schools, bridges, and roads.

CCC Carroll Community College.

CL Carroll (Bridges portion of the CIP.)

CCPN Carroll County Public Network.

**COMMISSIONER DISTRICT** Project location based on the five Commissioner districts within Carroll County.

**COMMUNITY INVESTMENT PLAN (CIP)** A six-year plan showing anticipated capital projects and funding sources.

**DEBT SERVICE** The annual payment of principal and interest on the County's bonded debt.

**DEPARTMENT** A County agency or office. Examples are the Department of Economic Development and the Department of Public Works.

**DMB** Department of Management and Budget.

**ENTERPRISE FUND** A fund established to account for the financing of self-supporting services provided by the County government. The services generate their own revenues from fees, charges, and other receipts. Carroll County has six enterprise funds: Airport, Fiber Network, Firearms Facility, Septage, Solid Waste, and Utilities (Water/Sewer).

**EXPENDITURE** The cost of goods delivered or services rendered.

**FISCAL YEAR** A 12 month period of time to which the annual operating and capital budgets apply. Carroll County's fiscal year runs from July 1st through June 30th.

**FUND** A separate budget/accounting entity with its own revenues and appropriations. The General Fund, for example, covers most of the daily operations of the County agencies and is financed by a variety of taxes and other revenues.

**GENERAL GOVERNMENT** Capital projects that do not specifically fit in one of the other five categories: Recreation and Culture, Public Works, Public Schools, Conservation and Open Space, and Enterprise Funds. General Government projects are typically related to Board of Elections, Public Safety, Carroll Community College, Carroll County Public Library, Sheriff's Office, Technology Services, Senior Centers, Farm Museum, and other County facilities.

**GENERAL OBLIGATION BOND** Common type of municipal bond secured by a state or local government's pledge to use legally available resources, including tax revenues, to repay bond holders.

GF General Fund.

GIS Geographic Information Systems.

**GRANT** A contribution of assets (usually cash) from one governmental entity (typically the State or Federal government) or other organization to another. The contribution is usually provided in support of a particular public function, project, or program.

HVAC Heating, ventilation, and air conditioning.

**IMPACT FEES** One-time charges assessed against new development to recover a portion of the capital cost of the additional public facilities of parks and schools needed to serve that development.

**IPA** Installment Purchase Agreements.

**LOCAL INCOME TAX (LIT)** Counties in Maryland have the authority to levy a Local Income Tax rate, which is expressed as a percentage of State taxable income. A portion of Local Income Tax is devoted to the Capital Fund for Public Schools projects.

LPPRP Land Preservation, Parks and Recreation Plan.

MALPF Maryland Agricultural Land Preservation Foundation.

MDE Maryland Department of the Environment.

MOA Memorandum of Agreement.

MUNICIPALITY City or town incorporated for local self-government.

NPDES National Pollutant Discharge Elimination System.

**OPERATING BUDGET** The annual budget, which supports the day-to-day operations of County agencies.

**OPERATING IMPACTS** Costs associated with implementation of projects in the capital budget. Examples include utilities, maintenance, and insurance.

**OVERLAY** Consists of milling and patching of failed areas, and the application of hot mix asphalt over the existing road or parking lots.

**PAYGO** A fiscal policy by which capital projects are funded with current revenue. In Carroll County, in addition to Transfer to Capital Fund, other sources of current revenue are appropriated directly to the Capital Budget.

**PRIOR ALLOCATION** Legal authorization to spend a specific amount of money for a particular purpose that occurred during a previous fiscal period.

**PROGRAM OPEN SPACE (POS)** Funding provided as a portion of the State Real Estate Transfer Tax for the acquisition and development of park facilities.

**PROPERTY TAX** Tax on the value of real and personal property is levied almost exclusively by local governments. In Maryland, the State Department of Assessments and Taxation is responsible for the valuation and assessment of all property in the State. The local government is responsible for setting the tax rate to be applied to the property assessments to generate revenues in support of the local budget. A portion of Property Tax is devoted to the Capital Fund for the Agriculture Land Preservation project.

**REAPPROPRIATION** A transfer of funds that may occur when there are unspent budgeted funds from a completed or cancelled project, or when there is an unallocated project that holds funds for future use.

**RESOLUTION** Formal statement presented to Commissioners for decision.

**REVENUES** Monies received by the County to provide services needed by the public. Property Taxes, building permits, and receipts from State and Federal sources are examples. By law, revenues must meet or exceed appropriations.

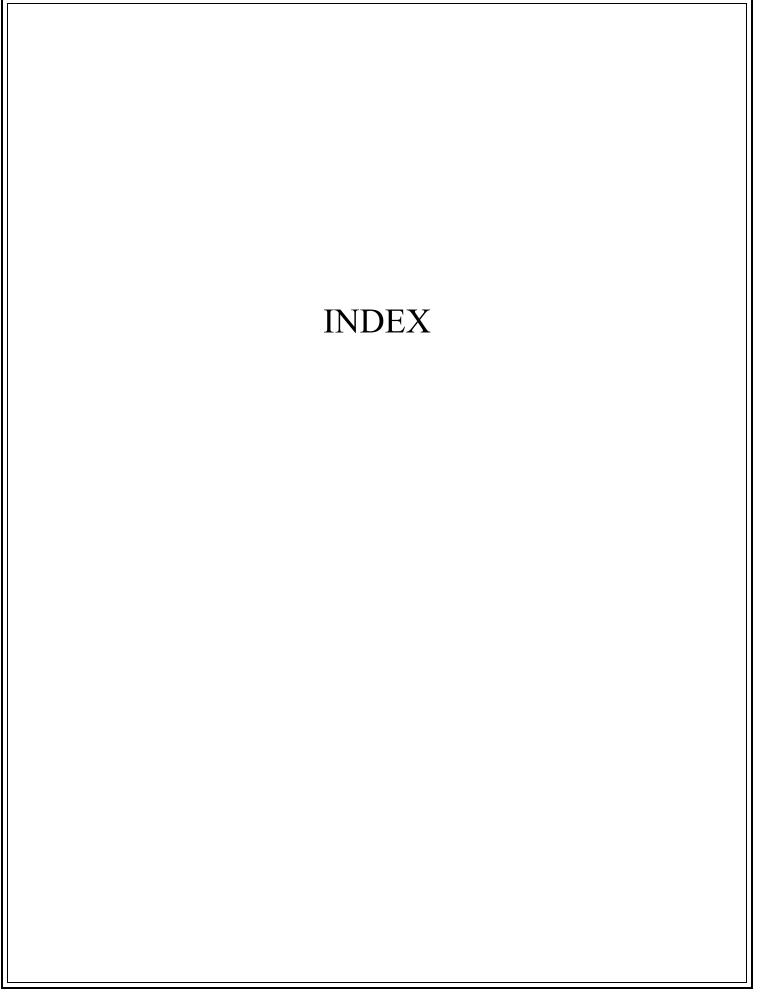

SEQUENTIAL BATCH REACTORS (SBR) A type of sludge process for the treatment of wastewater.

TMDL Total Maximum Daily Load.

**WRE** Water Resource Element.

WTP Water Treatment Plant.

**WWTP** Wastewater Treatment Plant.
