Nature Center: (410) 795-6043

February 7, 2023

The Piney Run Recreation and Conservation Council is dedicated to supporting Piney Run Park and Nature Center. With the focus on conservation and environmental education, many programs and activities held throughout the year are promoted and offered by the Piney Run Council. Income from these programs and events as well as Nature Center memberships helps the Council provide support for exhibits, the Piney Run Summer Nature Camp, college scholarships (see below) and kayaking instruction as well as other activities to benefit the Park and Nature Center programs and for the enjoyment of our visitors.

As caretakers of our resident raptors, the new aviary completed in January 2021- and sponsored and funded by the Council - has been a huge success. We continue to receive many compliments. We are still accepting donations to supplement the Council's event income and reserve funds. Please see the [Piney Run Park Aviary GoFundMe page](#) for more information on how to support this worthy project.

The council was able to host numerous fundraising events this past year including the 2nd annual **Piney Run Park Fall Festival** which is sponsored by the Piney Run Council and Park staff. And this event was a huge success! Over 20 vendors participated, our volunteers worked diligently to help with all of our activities, and our Bake Table sold out of your delicious donated baked goods! Thanks to all who supported this event! We are planning the next **Piney Run Park Fall Festival** for Saturday, October 14th, 2023 and we hope you can join us! We are also looking forward to hosting a variety of events in 2023.

Since park programs thrive on new ideas, input from additional people is always welcome and encouraged by the Council. All Council meetings are open to the public. Any member of the Nature Center is automatically a member of the Council, but must attend two Council meetings within the previous 12 months (and be 18 years of age) in order to vote at these meetings. Council meetings are held bi-monthly on the 3rd Wednesday in January, March, May, July, September, and November at 6:30 p.m. typically in the Piney Run Nature Center (or at the park's Pavilion 5 or via Skype during the pandemic). At these meetings updates from Park Staff and Council members are presented and discussed, decisions are made about fundraising events, and how membership and fundraising money is spent for the benefit of the Park and Nature Center. If you are interested in additional information about the Council, please contact the Council Treasurer, Renee Schoff, via email (PineyRunParkCouncilTreasurer@gmail.com) or call the Nature Center at 410-795-6043.

Nature Center memberships, park passes, pavilion rentals and registrations for County-sponsored Carroll County Recreation & Parks programs can be purchased on the County's RecDesk website: <https://ccrec.recdesk.com/Community/Home>. (Park Entrance Fee is still applicable for Nature Center members.)

We thank you for your support of Piney Run Park, the Piney Run Nature Center and the Piney Run Recreation and Conservation Council and hope to see you frequently throughout 2023.
