

Please Recycle Plastic Bags at Supermarkets, not in your Household Recycling Bin.

We no longer collect plastic bags for recycling. Retail locations across the county – such as large grocery chains, home improvement stores, Walmart, Target, etc. – provide collection bins for these plastic bags/wraps/film, usually in the storefront close to the main entrance. Since you picked up your grocery or shopping bags at these stores, why not just return them on your next trip? **They will be recycled into products without going through the processing equipment.**

Plastic Bags clog up recycling processing equipment just like hair clogs up the rollers of a vacuum cleaner
