## **Department of Public Works Asks For Help During Storm**

**Westminster, Monday, March 13, 2017** —Due to the potential for a heavy snowfall and high snow accumulations during the encroaching winter storm, the Department of Public Works is asking that citizens park in their driveways and not park on the street. This will ensure that the road is plowed curb to curb and allow for the streets to be cleaned in an efficient manner.

Plowing around vehicles is timely and causes delays in cleaning snow off the streets. It is also recommended to stay off roadways so the plow operators can safely maneuver through the county routes during the winter storm.
