

Double Pipe Creek Tree Planting Bachman Access Lane, Town of Manchester

This planting on property owned by the Town of Manchester in the Double Pipe Creek watershed was completed in Fall 2023 as part of a larger tree planting effort. The benefits of tree plantings include providing for a reduction of pollutant loads, stabilization, and improved habitat.

Resource Management staff met with Town staff and determined the potential planting areas, native plant species, and the ultimate vision for the property. This planting, resulted in the reforestation of **2.56 acres** with **769** trees planted.
