Department of Public Works Restructures Leadership

Westminster, MD, Friday, January 25, 2019 – The Carroll County Department of Public Works (DPW) is pleased to announce recent changes in management within its department organization. The following positions and/or responsibility changes are effective immediately.

Mr. Scott Moser, Deputy Director responsible for Solid Waste, Airport and Building Construction

Mr. Moser has worked for Carroll County Government for 15 years in DPW. After starting as a project manager, he was promoted to bureau chief of Building Construction and then deputy director. His responsibilities include oversight of airport operations and the county's overall solid waste operations as well as management and implementation of the county's Community Investment Plan.

Mr. Jason Green, Deputy Director responsible for Permits & Inspections, Utilities and Facilities

Mr. Green began working for the county in facilities in 1990, and then transferred to Permits & Inspections, ultimately becoming bureau chief. He was recently promoted to deputy director of DPW. His many years of experience include positions as maintenance technician, carpenter, building inspector, plans examiner, deputy code official and code official. Mr. Green is also current president of the Maryland Building Officials Association.

Mr. Douglas "Doug" Brown, Deputy Director responsible for Roads, Fleet and Engineering

Mr. Brown was hired by the county in 2013 as the emergency management coordinator and promoted to emergency management manager. He moved to DPW as acting deputy director in 2018 and officially accepted the position last week. His extensive experience includes administration, project management and planning of organizational strategic goals and objects with an emphasis on collaboration and customer service.

CARROLL COUNTY

The Americans with Disabilities Act applies to the Carroll County Government and its programs, services, activities, and facilities. Anyone requiring an auxiliary aid or service for effective communication or who has a complaint should contact The Department of Citizen Services, 410.386.3600 or 1.888.302.8978 or MD Relay 7-1-1/1.800.735.2258 or email ada@carrollcountymd.gov as soon as possible but no later than 72 hours before the scheduled event.

Mr. Lionel Stickles, Bureau Chief of Permits and Inspections

Mr. Stickles is a life-long resident of Carroll County and has worked for the county for 18 years. His county experience is extensive within Permits & Inspections working as a building inspector, chief building inspector, deputy code official and now promoted to bureau chief. His experience also includes 30 years in the construction field including owning a construction company and being past board member of the Carroll County Electric Board.

Mr. Jim Cook, Bureau Chief of Roads

A county employee for 12 years, Mr. Cook begins his new role with extensive experience in the Roads Department including positions as maintenance worker, road operator, roads foreman, and area and roads chief. His work highlights over 30 years in construction, project management and leadership with over twelve years in road operations, maintenance, design and repair.

Mr. Mark Myers, Airport Manager

Mr. Myers assumes his new role as Carroll County Regional airport manager after 11 years of experiences as the airport technician for Carroll County Regional Airport and three years' experience as director of operations for Westair Aviation, Inc. In his new role, he will manage the overall direction, coordination and evaluation for the airport in accordance with the Federal Aviation Administration, Maryland Aviation Administration, federal, state and local laws.

Public Works Director Mr. Jeffrey Castonguay, said, "I am pleased and excited to work with this management team. Carroll County is fortunate to have depth in our workforce and these gentlemen already exhibit the experience, knowledge and leadership to benefit the Carroll County Department of Public Works."

Please help Carroll County Government in congratulating these gentlemen on their new positions and responsibilities within the Department of Public Works.
