Carroll Transit System Seeks Citizen Input on County Public Transportation

Westminster, MD, Monday, February 11, 2019 – Carroll Transit System, the public transportation program in Carroll County, is seeking Carroll County resident feedback to assist in developing a five-year plan update, termed the *Carroll County Transit Development Plan (TDP)*.

Citizen feedback will be used to complete major tasks for the planning study including: an analysis of current services; an analysis of transit need based on demographics, land use, and stakeholder input; the development of options to consider for inclusion in the plan; and the draft and final versions of the TDP. The TDP is a requirement of the Maryland Transit Administration with the previous plan developed in 2013.

As part of the transit needs analysis, the county is gathering opinions from Carroll County residents with a survey. Stakeholder outreach will also include surveys of current transit riders and major employers.

The public survey is accessible by logging onto:

English Version: https://www.surveymonkey.com/r/Carroll_Public

Encuesta en Español: <https://www.surveymonkey.com/r/PHHP2V7>

Paper surveys in English and Spanish are also available at the locations listed at the end of this media release.

This survey is being conducted between **February 11 and March 11, 2019**. The survey results will help inform the study team regarding the service options that should be considered for inclusion in the five-year TDP Update.

For more information, contact Stacey Nash, Transportation Grants Coordinator, Carroll County at snash@carrollcountymd.gov or (410) 386-2301.

Paper surveys are available at the following locations:
