

# Birthday Parties at Bear Branch Nature Center!

Come celebrate your big day with us! Our birthday party package includes the use of the auditorium for **three hours**, a **45-minute naturalist-led program of your choice**, and the **opportunity to explore** the nature center, all for **\$175!**

We offer the following birthday party programs for all ages to choose from:

- ◆ **Birthday Skies:** Take a tour of the night sky on your birthday in the planetarium. Learn some of the basics of star gazing then find out where to find stars, planets, constellations, and more!

- ◆ **Amazing Amphibians:** Hop on over to Bear Branch to learn about amphibians and meet a few that call Bear Branch home. Option to get our feet wet at a nearby stream to search for salamanders!

- ◆ **Dipnetting Discovery:** Ever wondered what's living in the water? Using dip nets and our hands, we'll search the bottom of the lake for critters!

- ◆ **Meet a Critter:** Get up close with three of our resident critters. Choose one group or animals or mix and match – snakes, birds, insects and more!

- ◆ **Incredible Insects:** Learn exactly what it takes to be an insect by meeting one up close before heading outdoors to see if we can catch some!

- ◆ **Phenomenal Fairies:** Magical things are always happening in nature, we'll meet critters that seem to be magical then build our own fairy habitats!

\*For an additional \$5 per child, Bear Branch Nature Center can prepare a small gift bag for your attendees.
