**Carroll County Department of Public Works
Road and Utilities Construction Project Schedule for the Week of
May 13, 2019**

The Carroll County Department of Public Works advises drivers to allow extra time when traveling through construction work zones. Drivers may experience traffic delays and lane closures with flagging operations. We appreciate the public's cooperation and patience with any traffic delays as construction and rehabilitation continues on the County's roads and bridges.

Bureau of Engineering Projects For additional information Call 410-386-2157
