Mission and Goals

Education Other is a functional grouping of outside agencies that provide educational, cultural, and economic programs and resources to the citizens, businesses, and stakeholders of Carroll County.

Goals include:

- Serve the public interest
- Promote global awareness and multi-cultural education through curriculum, service learning, and programs serving the community
- Provide access to information and resources efficiently, cost effectively, accurately, and in the format requested by the community
- Work with educational and business partners to create and expand training and career programs to respond to local/regional employment needs
- Maintain ongoing coverage of important local events and activities
- Support and enhance the opportunities for non-public school children in Carroll County

Highlights, Changes, and Useful Information

- College enrollment is projected to decrease with 3,001 full time equivalent (FTE) students in FY 16, down from 3,149 in FY 14.
- In addition to direct funding, the County also provides in-kind support to the College and the Library. The buildings used by these organizations are County property. Utilities and maintenance of these buildings is provided for in the County's Facilities budget as part of Public Works.
- State funding to the Library is expected to increase slightly while funding to the College will be reduced in FY 16.
- The budgets for the Cable Regulatory Commission and the Community Media Center are fully funded with revenue generated by the Cable Franchise Fee.

Budget Changes

- Carroll County Public Library increases due to a 2.5% operating increase and OPEB allocation.
- The Community Media Center increases due to anticipated cable fee collections and to adjust for actual revenues collected in FY 14.

Mission and Goals

The mission of the Carroll County Public Library (CCPL) is to provide our community with enriching and innovative resources, experiences, and services.

Goals include:

- Children ages birth through seventeen will have access to collections, educational activities, and services that engage them in self-directed education and which lead them to success and personal enjoyment.
- Adults will have access to educational activities, books and other materials, and spaces they need to continue lifelong education and enrichment.
- Local businesses, schools, and organizations will make connections with the library through our services, resources, and events.
- Residents of Carroll County will be aware of the availability, and have access to, current and emerging technologies and to the assistance they need to use them effectively and confidently in their daily lives.

Description

Service in Carroll County began in 1863, when the Westminster Public Library was founded. In 1949, an endowment made the founding of a private corporation possible (Davis Library, Inc.) to provide library service. In 1958, by agreement with the Carroll County Commissioners, Carroll County Public Library (CCPL), a countywide library system, was established.

There are six full-service regional libraries:

- Westminster (1980)
- Eldersburg (1983)
- Taneytown (1989)
- North Carroll (1990)
- Mt. Airy (1994)
- Finksburg (2009)

The County provides Carroll County Public Library with in-kind services of approximately \$476,300 through the Bureau of Facilities to maintain the buildings and utility costs within the branch system.

Along with County funding, other sources of revenue are included below:

County - Direct Funding	\$8,262,270	85.33%
State Aid	928,554	9.59%
Other	491,550	5.08%
Total Revenue	\$9,682,374	100.00%

Program Highlights

- In the most recent official state-wide library report, based on FY 13 statistics, CCPL had the 2nd highest per capita circulation in Maryland at 25.1.
- In FY 14 CCPL circulated almost 4.0 million items and provided access to 555,600 items.

College, Channel 19 – Public Access, Channel 21 – Carroll County Board of Education, Channel 23 – Town and Community Channel, and Channel 24 – Carroll County Government, and distribute to the Internet.

Mission and Goals

Build a stronger, more dynamic local community by using media and other resources to inform, link, engage, and connect residents and organizations throughout Carroll County.

Goals include:

- Meet the needs of all Public, Education, and Government (PEG) partners for PEG services including facility access, equipment, and marketing of local channels to the public
- Encourage and create content that is essential and relevant to the Carroll County Community
- Support Town and Community Channel 23 to promote the unique character of their individual towns/cities through the use of multiple distribution platforms
- Partner with Career and Technology to support youth initiatives to engage and mentor students pursuing media careers by developing their skills through community based projects
- Create a more robust and career-driven college internship program
- Launch an interim facility plan that addresses aging infrastructure needs
- Redevelop Carroll History project website making it more interactive to engage new volunteers and interns to help develop a searchable tagged archive of oral histories
- Maintain ongoing coverage of public meetings, important local events and activities through Channel 19 and Channel 23
- Develop larger and broader volunteer base to help support needs and demands of a growing community media center

Program Highlights

- In 2014, CMC celebrated the anniversary of Channel 19, providing 25 years of Public Access Television in Carroll County.
- From 2013 to 2014, CMC saw a 22% increase in public use of the facility, and a 10% increase in the number of programs broadcast on Channel 19.
- The Carroll County History Project is one of CMC's most popular programs. During 2014, interest in the History Project generated a 28% increase in facility use.
- Partnership with the Carroll County Career and Technology Center, Silver Oak Academy and an internship program resulted in a 104% increase in staff hours dedicated specifically to teaching local youth video production and media skills. Participation in CMC's internship program for high school and college students increased by 36%.
- From 2013 to 2014, CMC's website saw a 70% increase in web traffic, their Facebook page grew by 69% and visits to YouTube channel to watch local videos grew by 296%.

Budget Changes

The CMC Budget is based on projected revenue from the cable franchise fee. It is also adjusted for actual revenues collected in FY 14. In FY 16, the budget is increasing to align funding with anticipated collections.

Description

The Community Media Center (CMC) is a Public, Education, and Government shared-use production facility using new media resources to serve Education and Government partners, local non-profits, and individuals to produce content to broadcast over five channels, including: Channel 18 – Carroll Community
