Mission and Goals

The mission of the Department of Economic Development is to create a positive business environment to foster the growth and retention of resident companies and encourage the attraction of new industry. The purpose is to provide jobs for local residents, promote a healthy economy, and increase the industrial tax base to provide for government services.

Goals include:

- Increase the commercial/industrial tax base
- Increase the number of quality jobs
- Support the development of new technology and the growth of resident industries
- Create an environment that fosters small business creation, sustainability, and growth
- Increase tourism in Carroll County and support the efforts of local tourism related businesses
- Assist Carroll County businesses with workforce development needs, and citizens in finding employment opportunities

Highlights, Changes, and Useful Information

- In FY 12, the Commissioners established a Small Business Loan Fund to assist small companies to obtain financing.
- Carroll County's average annual unemployment rate for CY 2014 was 5.0%, an improvement from CY 2013 average of 5.8%, and below Maryland's average of 5.8% and the national average of 6.2%. Although unemployment rates have improved since last year, there is still a strong need for employment services.
- The Business and Employment Resource Center continues to see strong demand for their programs, such as workforce training classes and job search assistance.
- In FY 15, Economic Development, in collaboration with Carroll County Chamber of Commerce, the Miller Center at Carroll Community College, the Carroll County Small Business and Technology Development Center, and the Carroll Technology Council, partnered with Overton and Associates, to establish the Carroll Innovation Center at Overton in Westminster Md. The center will provide small business owners with affordable office space.

Budget Changes

- The increase from FY 15 Original to Adjusted is due to salary adjustments, partially offset by turnover.
- Tourism decreases due to a reduction in postage.

Description

The Economic Development Infrastructure and Investment account was established to provide funding that would support and encourage economic development in the County. This funding is used to promote Carroll County as a commercial/industrial site for businesses, which may include infrastructure improvements, studies, and targeted investments.

This budget funds projects such as:

- Job training investments
- Feasibility studies
- Land acquisition related to business development
- Business infrastructure development

The staff who administer the infrastructure and investment expenses are included in the Economic Development Administration budget.

Program Highlights

- Noteworthy industry expansions during FY 13 include Performance Food Group, Ottenbergs Bakery, Flowserve Corporation, Hanes Geo-Components, Frank Dean and Tobacco Technology. The former London Fog facility in Eldersburg was extremely active with leases totaling over 80,000 square feet signed with firms such as America's Remote Help Desk, Cre-a-TV, Bay Doors and Hardware, Gold's Gym and Aero Sports Center.
- New businesses to Carroll County include retail franchises Royal Farms, Chick Fil-A and Race Pace Bicycles. After Knorr Brake vacated and moved into their new 240,000 square foot LEED facility at the Westminster Technology Park in March of 2013, a newly formed company, Land, Sea, Air (formerly East Coast Machining) backfilled the vacant 85,000 square foot building and secured several defense contracts. New to the County: NVision, which will occupy a new 20,500 square foot building in Mt. Airy and D&D Drilling, in a new 5,000 square foot office and warehouse facility in Woodbine.

- Carlisle Etcetera LLC announced the expansion of English American Tailoring Company in Westminster. Both companies are part of the Tom James Company. Carlisle Etcetera has purchased the former Marada building to for a women's apparel facility. The English American Tailoring Company is planning to retain its current operations with 380 full-time employees in Westminster and expand its custom men's apparel facility. As part of the new facility and expansion, the companies plan to add an additional 75 employees over the next five years.
- Fuchs North America announced its relocation to Carroll County. The company will purchase about 20 acres of land at the North Carroll Business Park in Hampstead. Construction plans call for over 200,000 square feet to house Fuchs' corporate headquarters including their new R&D and Culinary Center, state-of-the-art production facility, and QC and testing labs. The company currently employs 168 people in the Baltimore area.
- St. John Properties, Inc., one of the Mid-Atlantic region's most successful commercial real estate firms, is continuing leasing at Liberty Exchange. The park, when completed, will feature over 225,000 square feet of office, flex and industrial space complemented with retail amenities. To date, four buildings have been constructed with a variety of tenants.
- Black Oak Associates is in the process of building "Eldersburg Commons", a \$50 million redevelopment project. Super Wal-Mart has signed as an anchor tenant.
- The Warfield Corporate Campus in Sykesville has been actively working with a new developer who envisions a mixed residential/office campus. Their plans for the Campus also include retail amenities and a hotel.
