

## **Safe Routes to School (SRTS) Sidewalk Project – Washington Road (MD 32)**

This project involves the construction of approximately 2,000 linear feet of concrete sidewalk that is compliant with the Americans with Disabilities Act (ADA). The sidewalk will parallel Washington Road (MD 32) on the east side of the roadway and extend from Washington Lane south to Kate Wagner Road. Two crosswalks will be installed to connect adjoining sidewalk segments. As part of the project, a pedestrian signal will be installed at the Kate Wagner Road/Washington Road intersection.

The Carroll County Department of Public Works anticipates that construction will take place this fall, 2019.
