

Below is a summary of the actions taken by the BCC at the August 8, 2019 worksession.

1. Directed staff to continue working with the Department of Economic Development on the Business Park and Industrial Park concepts, and report back at the next worksession with a proposal.
2. Reviewed previous actions regarding uses that will be permitted by right instead of requiring conditional use approval; no changes made.
3. Consolidated "sanitary landfill", "transfer facility", "solid waste processing" and "incinerator" into "solid waste acceptance facility" as defined in Chapter 50 of the Carroll County Code. This use will be permitted in the I-2 and conditional in the I-1.
