How to Schedule a Trip

To schedule a trip, call the **CTS** Scheduler at (410) 386-5550 Monday-Friday 7am-5pm, at least one (1) business day before your appointment time. Transportation is solely based on availability. When scheduling, the customer must have all information (exact address, suite number, etc.).

Hearing-impaired customers can use the Maryland TDD Relay System, 711/800-735-2258 to contact **CTS** to schedule a trip.

What Information the Scheduler Will Need

When you call to schedule your trip, please be prepared to give the scheduler the following information:

-  Your name
-  Your daytime telephone number
-  The date you would like to schedule your trip
-  Where and when you would like to be picked up
-  Where and when you need to be dropped off (complete address and phone number)
-  Special assistance needed or other considerations (examples are, if you use a mobility device or travel with a Personal Care Attendant, a service animal, or need the driver to meet you at your door).
-  Trips will not be scheduled until complete trip information is received. Schedulers need the exact address to complete your reservation.
-  You will be advised what time to be ready for pick up. **CTS** has a 15-minute window – that window is 15 minutes before and 15 minutes after the scheduled pick-up time. (please see “Late Policy”). ***It is the rider’s responsibility to be ready 15 minutes before the scheduled pick-up time.***

If your trip can be made using our **TrailBlazer** Shuttle service (deviated fixed routes), the Scheduler will assist you with planning your trip using the most appropriate and least costly type of service.

When to schedule your ride with CTS

7:00 am – 5:00 pm	We accept calls for cancellations, scheduling appointments and any changes you need to make to already scheduled transports.
5:00 pm-7:00 am Daily and all-day Saturday, Sunday, and holidays.	Answering machine available for <u>cancellations</u> only. No appointment requests.

How to Request the Return Trip

Your return trip will be scheduled when you make the initial trip request. This reduces the possibility that you will have to wait when you are ready to return. If you are not ready when the driver arrives for your return trip, you may call to request your return trip when you are ready. (Depending upon the circumstances, a “No Show” fee may apply.)

Return trips are provided on a first come, first-served basis. Please be patient, as we cannot anticipate when all our passengers will be ready to return. Most trips will be scheduled within 30 minutes after notification.

How to Cancel a Trip

If you are unable to make your scheduled trip, please let the scheduler know as soon as possible, but at least one (1) hour in advance of your scheduled pickup. If you do not cancel your trip at least one (1) hour in advance, it will be considered a "no show" (see "No Show" Policy) and could result in a temporary suspension of service.

TrailBlazers

TrailBlazers are open to the public and operate on regular schedules with specific bus stops. You do not need to schedule a ride or register for the **TrailBlazer** Route Service. Simply be at the stop most convenient for you at the scheduled pick-up times. Deviations can be scheduled at least 3 hours in advance and are available for locations with-in 3/4 of a mile of a stop.

You will find a **TrailBlazer** route in North Carroll, Taneytown, and 2 routes in Westminster. All routes connect in Westminster at the Transfer Hub at WFD (Carroll County Workforce Development – 224 N. Center Street, Westminster, MD). At WFD you can transfer to any other connecting **TrailBlazer** route.

College Student Discount

CTS offers all students enrolled at Carroll Community College or McDaniel College a 50% discount on transportation to/from school on Demand Response and a 50% discount on all transportation on **TrailBlazer** service, regardless of destination.

How it Works:

College Student Discounts are offered four weeks before the beginning of the spring and fall semesters through the first week of the start of the semester. All students must submit an application to the CTS office by mail, or by making an appointment to submit in person and the application can be found on the website. All applications must be accompanied by a current schedule and a student ID. Applications will not be accepted outside of the five-week period and are required for both Demand Response and **TrailBlazer** services.

Demand Response:

Once a student is approved for the discount, student's may schedule their transportation up to four weeks in advance, and only during the semester. All scheduled trips must be to or from the college they attend. The discount will be applied to each trip and fare will be collected at time of transport. Every registered client could also add money to their accounts via cash, check or credit card. This would allow students to add a sum of money to their account and spend down as they use the service (only available for Demand Response service at this time). All fares will total 50% of the regular fare. See the Demand Response Fare breakdown on page 2. Students who qualify for the DR discount will also receive a pass to use **TrailBlazer** at half fare as well. This is a great way to get around town in between classes!

TrailBlazer:

Students utilizing the **TrailBlazer** service will be given a pass for the semester. This pass must be shown to the driver to verify the 50% discount. Students may utilize this service to/from any destination for the duration of the semester. Fare will be collected at the time of transport.

1. Safe, comfortable, and courteous service.

 12. Children under age 12 must be accompanied by a parent or guardian.
 13. Service animals trained to perform a specific task/service to assist an individual in living independently are permitted on board **CTS** vehicles. Small pets (up to 20 pounds) are allowed on board at no additional cost, when traveling in carriers designed and manufactured for pet transport. The carrier cannot take up seating or obstruct the aisle and must be able to be carried on by the passenger. Animals at-large or on a leash or harness (other than service dogs) are not allowed.

Eligibility

For Demand Response service, passengers must be registered with **CTS** before transportation service can be scheduled.

Seniors, persons with disabilities and/or Medicare card holders may ride the TrailBlazer Shuttle for half price with discount card. Applications are available by contacting **CTS** at (410) 386-5550.

Reasonable accommodations may be made for individuals with disabilities unless the modification fundamentally alters the nature of the service.

Advanced Reservation Policy

Reservations for Dialysis, Radiation, Day Programs, employment, routine Doctor's appointments and education may be scheduled for up to four (4) weeks in advance. Other trips or appointments can be scheduled two (2) weeks in advance. To schedule your trip, it is recommended that you make your appointment as soon as possible. Same day reservations may be requested; however availability is limited and space/time may not be available.

Late Policy

In order to provide service to as many people as possible, it is essential that all Demand Response passengers be ready for pick up within the 15-minute window. The window is 15 minutes before and 15 minutes after the scheduled pick-up time.

It is the passenger's responsibility to be ready and waiting at the door (or curb, if they are able) 15 minutes prior to their scheduled pick-up time. If the passenger is not waiting outside when the driver arrives, the driver will make every effort to notify the client of their arrival. Within the fifteen-minute pickup window, a driver may only wait up to five-minutes, before they must continue with their route.

If the passenger is not ready and has not called the dispatcher to cancel the trip, the driver will notify the dispatcher they are departing for next pickup, and the late passenger will be considered "no-show."

For TrailBlazer stops, please be to the designated stop 10 minutes in advance of the posted time.

"No-Show" Policy

From time to time, it may be necessary for a scheduled passenger to cancel a trip for unexpected circumstances beyond their control. Last minute cancellations, or "No-shows", are detrimental to the efficient and effective operations of our demand response shared ride services.

What Constitutes a "No-Show"?

If a passenger is unable to make his or her scheduled trip and does not call the dispatcher to cancel the trip at least one (1) hour in advance of the scheduled pick-up time, the trip will be considered a "No-show." Passengers who are not ready by their scheduled pickup time may also be considered a "No-Show" if the driver arrives within the 15-minute window and waits more than five minutes; the driver will leave after waiting five minutes and contacting the dispatcher.

Consequences

A "No-Show" has the following consequences:

1. The "No-Show" fee will be equivalent to that days scheduled fare.
2. A rider will be suspended from **CTS** service for one month if they have three or more "No-Shows" in a 30-day period, or if there is an unpaid balance for any "No-Show" more than 30-days in arrears.
3. All "No-Show" fees are to be paid by cash or tickets.

Appeals Process

The passenger may appeal any of the above consequences if he or she feels a "No-Show" occurred because of unexpected circumstances beyond his or her control (e.g. medical or family emergency). Written appeals should be addressed to the Executive Director within ten (10) calendar days of notification of the offense.

Weather Policy

All weather-related delays or closings will be determined as close to 5 a.m. as possible and will be announced on WTRR as well as WBAL Channel 11 and carrolltransitsystem.com. While **CTS** will make the best decision possible for the safety of our staff and passengers, we must follow Carroll County Government's decisions to delay or close. When CCPS is closed all senior center

rides will be canceled unless the passenger calls in to confirm their ride. Driver's may refuse to travel down driveways or side roads that have not been cleared or impose a safety threat to the driver or the passenger.

Passenger Assistance Policy

All **CTS** drivers are trained in passenger assistance techniques and will provide passenger assistance in boarding and debarking from the vehicle. Passenger assistance may include guiding the passenger to the vehicle, lending a steady arm for balance in boarding the vehicle, finding a seat, fastening a seatbelt or securing a wheelchair.

CTS drivers will not provide assistance that involves bearing weight, including lifting and carrying passengers. Individuals who need extensive assistance in traveling must arrange for a Personal Care Attendant (PCA) to accompany and assist them. **CTS** does not provide Personal Care Attendants.

The driver may refuse service if the passenger cannot safely travel to and from the vehicle without the driver lifting or carrying the passenger. **CTS drivers do not lift or carry passengers.** For passengers using wheelchairs, the path between the door and the vehicle must be wheelchair accessible. When service is first provided to a new passenger, a supervisor may be present to assess assistance needs of the new passenger.

CTS drivers will not enter passengers' homes. For the safety and protection of both drivers and passengers, it is against our policy to provide door-through-door assistance by entering passenger's homes.

CTS is not a delivery service. Passengers are generally responsible for carrying their own belongings. Packages, which cannot be stowed on your lap or the seat beside you, are not permitted unless space allows and packages can be properly secured. **CTS is not responsible for any items lost or damaged on the vehicle.**

Personal Care Attendant Policy

A Personal Care Attendant (PCA) is someone designated or employed specifically to help an individual with a disability meet his or her personal needs in daily living activities. The registered PCA travels at no charge on Demand Response only. Individuals who need extensive assistance in traveling (beyond that which the **CTS** driver can provide), including lifting, carrying, support during the ride, and/or behavior control, must arrange for a PCA to accompany and assist them. **CTS** does not provide PCAs.

Passengers needing the assistance of a PCA must register the PCA with **CTS**. A registered PCA may accompany the passenger free of charge.

It should be noted that a person who requires the use of a PCA, to always travel with their PCA since drivers cannot provide assistance beyond that which is described in the previous section.

Policy on Portable Breathing Aids

Portable oxygen supplies and respirators are permitted on board **CTS** buses. Information about the use of this equipment must be provided to the dispatcher when scheduling service.

Oxygen is to be self-administered and the driver shall be under no obligation to render special assistance. Oxygen tanks must be secured so they do not move during transport and may not block the aisle.

PASSENGER SECUREMENT POLICY

Wheelchairs

A wheelchair is a mobility aid belonging to any class of three -or more- wheeled devices, usable indoors, designed or modified for and used by individuals with mobility impairments, whether operated manually or powered.

Any device that meets this definition will be accommodated. If the total combined weight of the individual and their wheelchair exceeds 600 pounds, **CTS's** ability to accommodate the wheelchair will be evaluated on a case-by-case basis.

All wheelchairs must be secured to the vehicle in the designated area. The driver will provide assistance in securing the wheelchair. Wheelchairs which cannot be properly secured (i.e. three-wheeled scooters), will be accommodated if the lift can accommodate the weight of the passenger and mobility device and it fits within the securement area.

Any individual using a wheelchair may transfer to a regular seat on the vehicle if they are able to accomplish the transfer independently or with the assistance of a personal care attendant. **Drivers will assist but will not lift passengers.**

Lift Use Policy

CTS strongly recommends that persons who wish to use the lift to board do so only when seated in a wheelchair. Persons who do not use wheelchairs but wish to use the lift to board or de-board the vehicle must inform the dispatcher when scheduling service. This is necessary for vehicle scheduling considerations.

In addition, if requested in advance, **CTS** will provide a manual wheelchair for use when riding the lift.

Seat Belts

CTS requires that all passengers wear seat belts in vehicles equipped with them. Persons using wheelchairs should be secured to their chairs in addition to having their wheelchairs secured to the vehicle. The driver will aid in fastening seatbelts upon request.

Child Safety Seats

All passengers must follow the *Maryland Child Passenger Safety Law*, which states:

Every child under age 8 years old must ride in an appropriate child restraint unless the child is 4'9" or taller.

Every child from 8 years to 16 years who is not secured in a child restraint must be secured in a vehicle seat belt. (Effective October 1, 2012).
