

# St. Georges Gate

## Location

St. Georges Gate is a subdivision constructed in the 1990s off Deer Park Road in Finksburg. Located in the Liberty Reservoir Watershed, quantity management for the subdivision is provided by a detention basin adjacent to Wheatfield Road.

## Description

The project will provide stormwater management to a 32-acre drainage area, 5 acres of which are impervious. The goal is to provide water quality treatment, channel protection, and management of the 10 year storm back to forest/meadow conditions.

## Project Engineer

Brudis & Associates, Inc.

## Contractor

Magstone

## Project Budget

Engineering: \$40,200  
Construction: \$442,500

## Project Timeline

Construction of this project was awarded to Magstone in early February and should begin in May.
