Dear Mr. McMahon,

We have completed our review of the above referenced retrofit plans and calculations. They meet the requirements for MDE small pond approval. Therefore, we recommend that small pond approval be granted. Please date and sign both attached documents and return them to me.

We appreciate being able to provide technical assistance to you in these matters.

If you have any questions or need further assistance, please do not hesitate to contact me at 410-386-2210, Monday through Friday between 7:00 AM and 3:30 PM.
