

General Order

Department of Fire & EMS

G.O. 10-1-2023

Subject: 2023/2024 ALS Continuing Education

Date: October 4, 2023 (*Revised October 24, 2023*)

Authority: Michael Stoner, Assistant Chief

Any Career, County Volunteer or Corporate ALS Employee affiliated with Carroll County Department of Fire and EMS who possesses a National Registry Paramedic, or a Maryland CRT license or certificate may attend the following ALS continuing educations recertification. All career employees with a certification or license that are due to expire in 2024 are strongly encouraged to attend these recertification offerings. Carroll County has committed to compensating career employees for their recertification process if attending these in house offerings.

These sessions will cover the Department Core Content of the ALS Continuing Education Program and are specifically designed to meet the National Core Competencies Program (NCCP) requirements for re-registration by the National Registry of Emergency Medical Technicians (NREMT). Anyone choosing to recertify through this offering will be required to attend three sessions. Failure to complete any portion of the program could jeopardize the clinician's ability to recertify in 2024.

Licensed, Non-functioning clinicians are welcome to attend any of the 2023/2024 ALS Continuing Education Program (based upon available seats) However, the Medical Director is not able to sign registry documents or acknowledge ALS affiliation for clinicians not currently functioning in Carroll County.

The 2023/2024 will be delivered in a three-Session format that is color coded for ease of determining which dates you will need to attend. Each ALS clinician who is recertifying will need to attend one session of each color to complete the entire program.

In addition to these three colored sessions ALL ALS clinicians will be required to attend an annual ALS Skills Session regardless of their need to recertify in the 2024 cycle. These dates will be published in a separate General Order.

Session 1 – Blue

November 5, 2023	C- Shift	Wednesday	08:00	PSTC
December 6, 2023	B- Shift	Wednesday	08:00	PSTC
